My Work Experience

September 2019 - Current

Project Manager / Special Projects

The Design Store, CDMX
www.thedesignstore.mx

I design, coordinate, make building plans, install, and supervise a diverse range of projects such as, pop up stores, display windows, stands, photo opportunities, displays and furniture. I work with a wide range of materials (wood, metals, plastics, acrylics, vinyl, paper, cardboard, etc) based on each individual project.

October 2017 - August 2019

Head of Innovation / Project Manager

Newtons Box, CDMX
www.newtonsbox.com

In charge of Product Design & Innovation. I overlook design, materials, testing and the incorporation of all the elements for each product. By partnering with engineering we execute each project within customer guide-lines.

April 2015 - June 2018

Lead Designer

Heroes Company, CDMX
www.heroescompanymexico.com

Mexican sportswear / textile company. I supervise design, production and authorize all new designs. Implemented new design methodology and increased production by 8%. Integrated new technology in order to reduce third party costs and increase the bottom line.

Sept 2010 - April 2015

Co Founder / Designer

Bugs and Plush, CDMX

Mexican art toy company. Product design from start to finish. Designed over 10 products sold internationally.
